HOW TO PLAY:

Organiser instructions

1. Ask your colleagues for a suggested donation of £2 each to guess how long it will take you to finish your race.

2. Let your colleagues know what the prize is before they enter. This could be a prize chosen by you, or a percentage of the donations from the sweepstake (let them know the rest will be donated to Save the Children). Expenses and prizes can be deducted before making a donation but no profit can be made by the organiser.

3. Record their guesses on the poster.

4. After the event, award the winner(s) with the correct (or nearest) guess(es) with their prize(s).

5. Send in your donations to us. There are several different ways you can do this. You can:

- Pay in your fundraising via your online fundraising page (you won't be able to claim Gift Aid on this)
- Post a cheque made payable to Save the Children (quoting your Supporter Number and fundraising challenge) to: **Community Fundraising, Save the Children, 1 St John's Lane, London, EC1M 4AR**
- Or call our friendly Support Team on **020 7012 6997** to pay by credit or debit card over the phone.
