

shop health and safety volunteers

Time Commitment: Flexible (min 3.5 hours a week)

We're looking for well organised and dedicated people to make sure our shops are safe places for volunteers and customers.

This is a vitally important role as we need you to ensure your shop meets health and safety regulations and that the rest of the team of volunteers are aware of any potential risks that exist.

Save the Children charity shops bring in £6 million each year which goes towards our work with disadvantaged children in the UK and overseas and we need to maintain this by ensuring our properties are meet regulations and are safe places to work and shop.

What does the role involve?

- Organising weekly safety checks
- Providing health and safety inductions to all new volunteers
- Attending training sessions to stay up to date with new regulations
- Monitoring compliance with health and safety
- Ensuring the shop complies with statutory Health and Safety regulations. The Disability Discrimination Act and Save the Children's Health and Safety guidelines.

Will the role suit me?

Yes, if you.....

- Are passionate about helping children and making a difference through giving your time
- Are a good communicator and feel happy teaching others
- Have some experience in health and safety
- Have good organisation skills
- Enjoy interacting with people
- Like working as part of a team

What will I get out of it?

- The chance to meet lots of new people
- All the training and support you need
- Opportunity to use your skills to raise money for our work with disadvantaged children world-wide
- Experience in retail and health and safety
- The opportunity to share your skills and experience
