We'll definitely make sure your message gets to Gordon.

We'll also email you to say how we get on in our campaigns unless you tick this box.

We Save the Children  Will you?

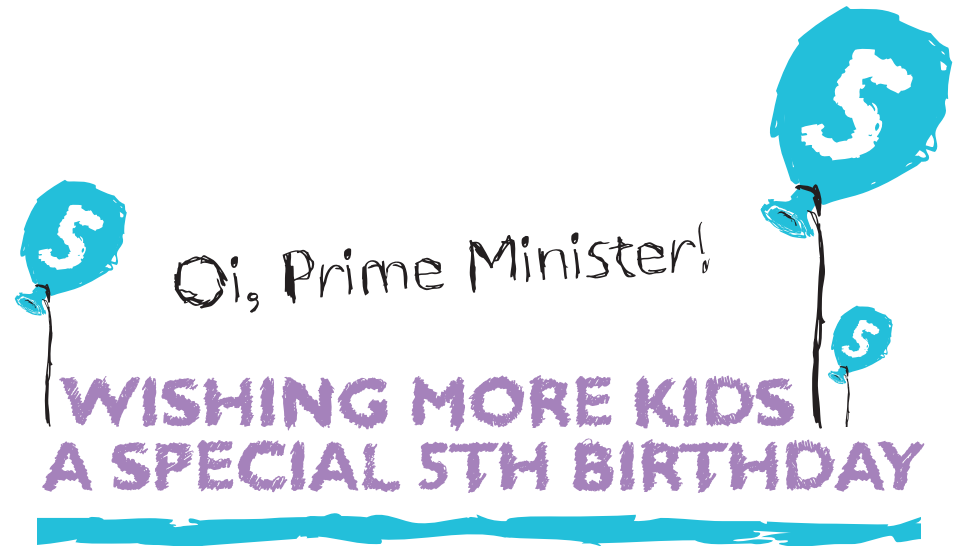

We're the world's independent children's charity. We're outraged that millions of children are still denied proper healthcare, food, education and protection. We're working flat out to get every child their rights and we're determined to make further, faster changes. How many? How fast? It's up to you.

5 is a
fantastic
age to be

Use this side if you'd like to send the Prime Minister
your own personal message

Give them something to celebrate.

Do your bit Gordon to save the
10 million children who die before
the age of 5 every year:

- Give more money to tackle
child hunger
- Keep an eye on how it's spent

Best wishes
