

LET'S BUILD A BETTER WORLD

By getting sponsored and raising money for Save the Children on Den Day, you are helping make sure children have the things they need, like food, education and a safe place to sleep.

NISHAL*, NEPAL

When an earthquake struck Nepal in 2015, lots of houses were destroyed, including 18-month-old Nishal's. We gave his family a tarpaulin and materials to make a temporary home while they rebuilt their house.

£2
could provide a children's book to help a child learn to read.

£20
could pay for an emergency shelter kit for a family who've lost their home after a disaster like the 2015 Nepal earthquakes.

£80
could cover the cost of school kits for eight refugee children including pens, pencils, stationery, a calculator and a backpack.

MARIA AND JOSE, GUATEMALA

Jose, 9, and Maria, 5, live in Guatemala. When a disease attacked coffee plants, their dad couldn't farm and the family couldn't afford enough food. We are helping their mum to earn money so she can feed her family.

AMINA*, SOMALIA

Amina, 12, lives in Somalia, in a camp for people who were forced to leave their homes because of war. She goes to a school that Save the Children built.
