

BY TAKING PART IN DEN DAY YOU ARE HELPING TO MAKE LIFE BETTER FOR CHILDREN ALL OVER THE WORLD.

Samuel, 8, with his mum Mary in Vanuatu. When a flood destroyed their house, we gave them a tarpaulin to provide shelter while they rebuilt their house.

A fierce storm knocked down all the houses in this village. We helped people rebuild their homes – and gave these children a safe place to play.

The money you raise by getting sponsored to build and sleep in your den will help give children food to eat, toys to play with, and safe places to play and sleep.
