Thank you for completing this questionnaire.

- Getting your views is really important and will help us to understand if Families Connect makes a difference to the children who take part.
- Everything you say will remain anonymous (unless there is a risk to you or your pupil's safety).  
**Please do not include any names or any info that identifies you or this pupil.**
- We will use your feedback so that we can understand the impact of the programme and also so that we can tell others about the quality of Families Connect (such as other schools and potential funders). No child-level data will be used, just averages and aggregates.
- Please feel free to answer these questions in dialogue with other school staff. If you are completing this questionnaire about children that have only just joined your class, please answer as best you can, based on the interactions you have had with them so far.
- By filling out a questionnaire you give Save the Children and our partners consent to analyse and use the data it contains.
- If you would like us not to use the data from this questionnaire you or the child's parent/carers can just email us to let us know, by contacting [FamiliesConnectInfo@SaveTheChildren.org.uk](mailto:FamiliesConnectInfo@SaveTheChildren.org.uk).
