LET'S RAISE FUNDS AND CHANGE FUTURES

When you donate to Save the Children, you're helping children in some of the world's toughest places stay safe, healthy and learning – so they can get the chance of a future they deserve.

THE DIFFERENCE YOU CAN MAKE

£15

could provide a water treatment and storage kit in Ethiopia – so children have safe water

£25

could provide a learning kit to make sure a child in Ukraine doesn't miss out on their education

£40

could provide a family in Somalia with a goat – a source of nutritious milk and income
