THANK YOU FOR JOINING THE FIGHT FOR CHILDREN.

Organiser instructions

1. Decide on the amount you will ask people to donate to take part and write this at the top of the page. Everyone needs to donate the same amount to make it fair. Please note that the sweepstake can only be run at a fundraising event, not just in isolation.
2. Let people know what the prize is before they enter. This could be a prize chosen by you, or a

percentage of the donations from the sweepstake (let them know the rest will be donated to Save the Children). Expenses and prizes can be deducted before making a donation but no profit can be made by the organiser

3. Choose a number between 1-100 and write it down somewhere safe. Also note down how you will choose the closest number if needed e.g. if the closest number is even either side of the selected number the higher of the two will win
4. Record people's choices on the poster beside their chosen number
5. Give the prize to the person who chose the winning number – or the closest to this

How to pay in

- Pay in your fundraising via your online fundraising page (you won't be able to claim Gift Aid on this)
- Post a cheque made payable to Save the Children (quoting your Supporter Number and fundraising challenge) to: Community Fundraising, Save the Children, 1 St John's Lane, London, EC1M 4AR

- Pay in online at savethechildren.org.uk/centenary-challenge
- Call our friendly Support Team on 020 7012 6400 to pay by credit or debit card over the phone

Visit the Gambling Commission website at www.gamblingcommission.gov.uk for more information on how to organise a sweepstake legally (also known as a lottery)
