

RAMA'S STORY

Meet Rama. She lives in a country called Lebanon with her mum, dad, and four brothers and sisters. Rama used to live in another country called Syria, but it wasn't safe there.

Her big brother, Hatem, helped to protect Rama in Syria.

Who are the people who look after you and keep you safe?

Do you have a little brother or sister that you help look after sometimes?

It's good that Rama is now safe and that she can go to nursery school with other children. Your Muddy Puddle Walk will help keep other children like Rama safe, so they can play and learn.

At nursery she enjoys singing songs with the other children and learning new words. She likes drawing pictures too.

What do you enjoy doing most at nursery?
