Put the Boots on Peppa Party Game

Oh no! Peppa has lost her boots! Can you help her put them back on? When you jump in muddy puddles, you must wear your boots!

You will need

- A print out of Peppa
- A wall
- Sticky tack
- Peppa's boots (cut out)
- Blindfold (such as a scarf)
- Pencil or pen

Instructions

1. Secure the picture of Peppa to a wall using sticky tack.
2. Use more sticky tack on the back of the cut-out boots.
3. Blindfold the first player and give them the boots, before gently spinning them round. They need to try to stick the boots on Peppa as close to her feet as possible.
4. Use a pencil to mark where the player has stuck the boots before unsticking it and giving it to the next player for their turn.
5. The player with the mark closest to Peppa's feet wins!

Muddy Chocolate Cake

Ingredients

175g butter, softened
200g sugar
1 tsp vanilla essence
3 eggs
50g cocoa powder
270g plain flour
2 tsp baking powder
240ml milk
500ml cream
500g dark chocolate

Equipment

oven
baking paper
round cake tin
bowl
cooling rack
electric whisk

Method

1. Preheat the oven to 180°C or gas mark 4.
2. Line a 22cm round cake tin with baking paper and grease the sides so that the cake does not stick.
3. Using an electric whisk, cream the butter, sugar and vanilla essence until light and fluffy. Add the eggs one at a time, beating well after each addition.
4. Sift the cocoa powder, flour and baking powder together and add to the creamed mixture alternately with the milk. Pour the mixture into the prepared tin.
5. Bake for 45–55 minutes or until the cake springs back when lightly touched. Leave in the tin for 10 minutes before turning out onto a wire rack to cool.
6. While the cake is cooling, prepare the chocolate ganache topping. Pour the cream into a saucepan and heat gently. Bring up to a simmer, but do not boil. Take it off the heat and add the broken-up chocolate, stirring until all of the chocolate is melted.
7. When the cake is cooled and on a plate, pour the chocolate ganache over the top of the cake.

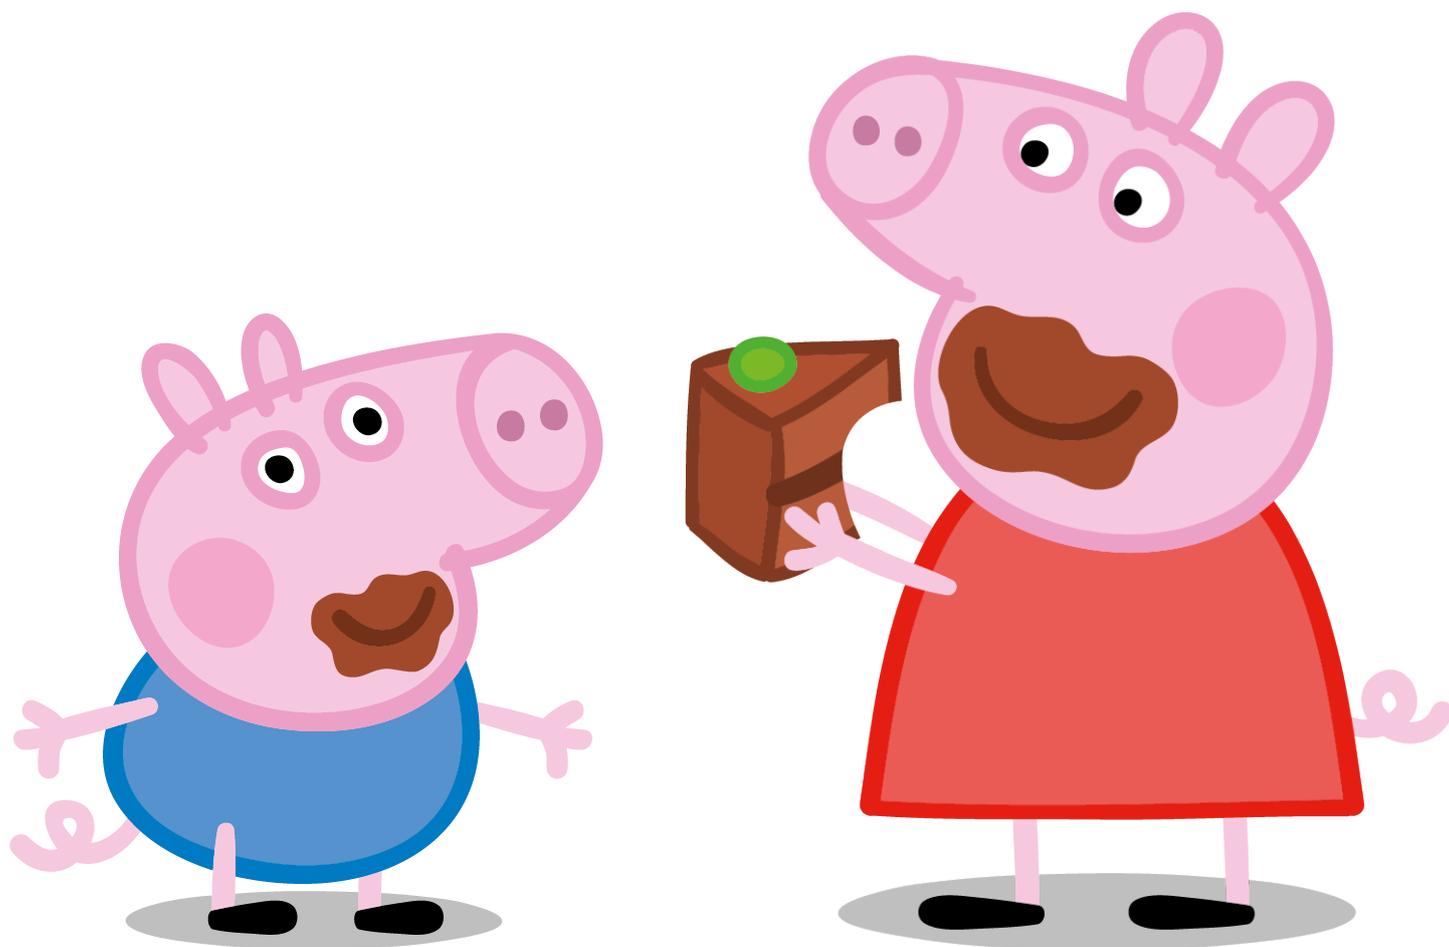

For something extra special, you could try topping the cake with fresh fruits like berries, orange segments and sliced bananas.

Can you make a picture from the fruity pieces?

Peppa Pig Movement Cards and Dice

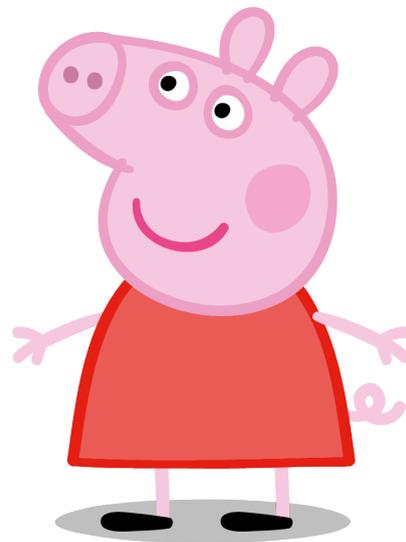

Can you stomp in the mud like Emily Elephant or hop in a puddle like Rebecca Rabbit? What about jumping up and down in muddy puddles like Peppa Pig?

For this activity, you'll need to cut out and stick together the cube nets to make two movement dice. Each time you roll one, there will be a move to act out!

To help you with your moves, there are also some movement cards that describe the fun moves that Peppa Pig and some of her friends make.

This activity can be played indoors or outdoors, but needs some space to roam around and be energetic. Have fun!

Peppa Says Copying Game

Are you ready for a game of Peppa Says?

For this game you'll need at least two people, although you can play with many more! To prepare, cut out the action cards and find an open space indoors or outdoors where there's enough room to move around a bit.

Instructions

Choose one person to be the caller (perhaps an adult or older sibling who is comfortable reading). They choose an action card and read it aloud so that the other players can copy it - but there's a catch! The players should only copy the action if the caller says 'Peppa says' before it.

- For example, if the caller says 'Peppa says put on your boots', the other players should pretend to put on their boots.

- If the caller says 'Put on your boots' without saying 'Peppa says' first, then the other players should stand still and do nothing.

Peppa Pig Welly Footprints

Mud Paint Recipe

You will need:

Mud

Bowl

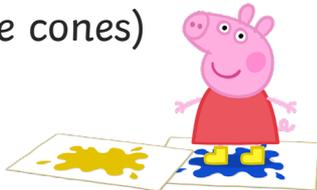

Powdered paint
or poster paint

Water

Biodegradable
washing-up liquid

Card

Old wellington boots
or shoes, paintbrushes
or other natural
materials for making
marks (e.g. sticks or
pine cones)

Instructions

1. Collect a bowlful of mud from the garden. If it is quite dry, add water to the mud.
2. Check the mud for living creatures, such as worms, and return them to the garden before adding anything else.
3. Divide the mud into how many containers you like – decide what colour each batch of mud is going to be.
4. Sprinkle a little of the paint into each container.
5. Add a small amount of washing-up liquid.
6. Mix the mud, paint and washing-up liquid together.
7. The paint is then ready to use outside.

Can you use old welly boots to make muddy footprints? Why not dip the soles in the mud paint mixture and stamp on some card on the pavement? You could also use sticks, leaves, pinecones and other natural materials as paintbrushes on your patio or fence.

This mud paint can be washed away with water or in the rain.

Granny Pig's Fruity Orange Cupcakes

Ingredients

- 100g caster sugar
- 100g softened butter
- 100g self raising flour
- 2 eggs
- 1 tsp vanilla extract
- 1 tbsp orange zest

For the icing

- 150g softened butter
- 300g icing sugar
- 2 oranges

Equipment

- Cupcake tray
- 12 cupcake cases
- Large mixing bowl
- Small mixing bowl
- Wooden spoon
- Fork
- Wire cooling rack
- Icing bag

Method

For the cupcakes:

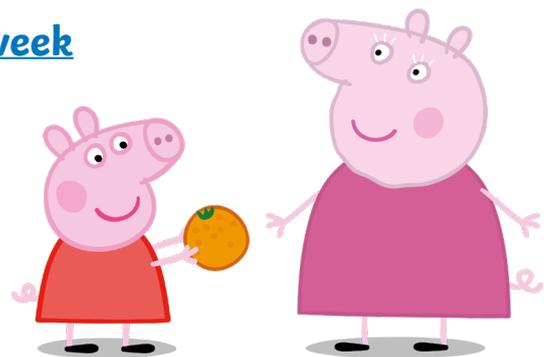

1. Preheat the oven to 180°C (gas mark 4).
2. Put a cupcake case in each hole of the cupcake tray.
3. Put the sugar and 100g of softened butter in the large mixing bowl and mix it together. It should be fluffy and creamy once combined.
4. Sift the flour into the bowl to get rid of any lumps, then fold the flour into the sugar and butter mixture.
5. Break the eggs into the small mixing bowl and whisk together with a fork.
6. Add the vanilla extract, orange zest and the eggs to the butter, sugar and flour mixture and mix together.
7. Divide the cake mixture out evenly between the 12 cupcake cases.
8. Bake the cupcakes in the oven for 20 minutes or until the cupcakes are golden.
9. Once the cupcakes have cooked, move them to the wire rack (in their cases) to cool completely. Letting the cakes cool fully stops the icing from melting during decoration.

For the icing and decorations:

1. Put the 150g of softened butter in a bowl and sift the icing sugar on top. Mix together with an electric mixer (or quickly and thoroughly with a whisk). The result should be light and fluffy.
2. Finely grate the oranges and stir the zest into the buttercream mixture.
3. Use a piping bag to top your cooled cupcakes with the orange buttercream.
4. For the orange topping, thinly slice the remaining orange fruit.
5. If you would like to dry out the slices (optional), place them between two sheets of kitchen roll and gently press to absorb some of the orange juice.
6. Remove the orange slices from the kitchen roll, place them onto a wire rack and put into a warm pre-heated oven (120°C or gas mark 1 or 2) for about 30 minutes. You will need to turn the slices every 10 minutes to prevent them from burning.
7. Remove from the oven and let cool before using them to top your cupcakes.

Picnic Sandwiches and Bread Recipe

Ingredients

1.5kg strong flour
(plus extra for dusting)

2 tsp salt

7g dried yeast

3 tbsp olive oil

300ml
lukewarm water

Equipment

Oven

Large mixing bowl

Sieve

Loaf tin or large
baking tray

Wire cooling rack

Method

1. Sieve the flour, salt and yeast into a bowl. Make a well in the centre and add the oil and water.
2. Mix the wet and dry ingredients together to form a dough. Add a little more water if the mixture is stiff.
3. Tip the dough out onto a lightly floured surface and knead the dough until it is smooth.
4. Put the dough in a bowl (you may wish to rub the sides with a little extra olive oil so that it doesn't stick), cover with a damp tea towel and leave in a warm place for around an hour or until it has doubled in size.
5. Preheat the oven to 220°C (gas mark 7).
6. Remove the risen dough from the bowl and knock back (knead) before putting it in a loaf tin or onto a large baking tray.
7. Bake your loaf in the oven for 25 - 30 minutes.
8. Allow the bread to cool on a wire rack. Slice it and serve with your chosen fillings to enjoy!

For the fillings:

- Daddy Pig's favourite food is chocolate! Have you ever tried chocolate spread sandwiches? Yum yum!
- Peppa and Mummy Pig both love spaghetti - but you can't put that in a sandwich! How about trying some sliced tomatoes or lettuce with sliced sandwich meats or cheese?
- George could eat a whole punnet of strawberries - but on his sandwiches, he has strawberry jam instead.
- Emily Elephant has an unusual favourite - bananas! She puts banana slices in her sandwiches or on toast.
- Candy Cat likes fish fingers more than any other food - except maybe milk. Fish finger sandwiches are delicious! She likes hers with a little ketchup too.
- Freddie Fox's favourite food is eggs! To make egg mayo sandwiches, hard boil 2 eggs and let them cool. Peel off the shells and mash together with some mayonnaise for a tasty sandwich filling.
