

Grants Paid During Year Ended 31 December 2020

Amounts paid to partner organisations are detailed below where the total for the organisation is greater than £100,000.

Payments are also made directly to individuals either in emergencies or where it is deemed more beneficial to the local economy to provide cash instead of other aid, such as food packages. Individually, these amounts are very small and are not deemed material to Save The Children UK so no further breakdown has been given below.
