

WHO WILL WE HELP

ON CHRISTMAS JUMPER DAY?

On Christmas Jumper Day we'll help children like Viktoriya*, in Ukraine.

The war there has made it really scary for kids recently. So using donations from kind people like you, Save the Children has set up safe spaces where kids can talk things through and get extra help. Viktoriya started going to one after her leg was hurt by a bomb.

Save the Children introduced her to Parker - he's a trained therapy dog and he's AMAZING! He can sense when Viktoriya's stressed and helps her feel calmer.

* Her name has been changed to keep her safe
